

What people have said about us?

Unity Radio (Building Giants)

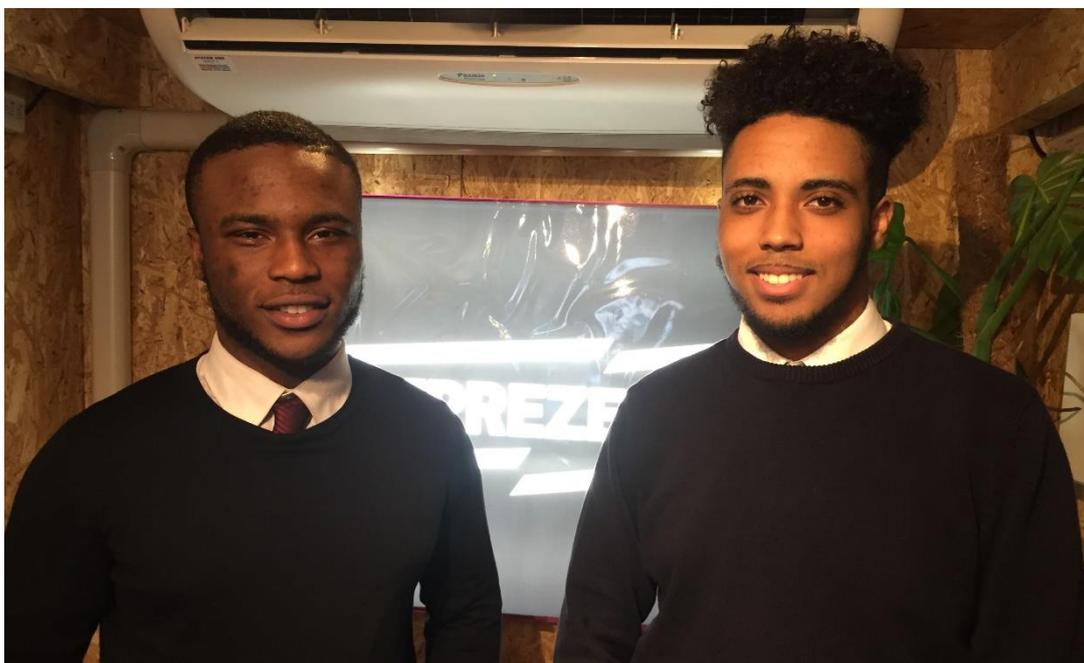

Great to have the boys on this weekend, they were passionate insightful, full of great wisdom and direction. We asked them a series of questions about their ventures, and how they stay motivated consistently.

“They had such great energy and thought processes which is essential for success.”

Being as young as they are, they are already accomplishing great things and can only go higher – the sky is the limit. We spoke to them for up to 45 minutes with intervals and we got to learn a lot about them.

Lewisham Youth Conference 2016

“The feedback from the young people was fantastic and your speech seemed to be one of the most popular things of the day”
